Managers Coaches and Umpires:

- Keep it Fun, remind parents this is a non-competitive junior cricket format.
- Ensure the fielders stay back to encourage batters to run between the wickets. When the batters run, and the fielders become engaged in the game that’s the best cricket.
- Make sure your incoming batters are ready to go.
- If a batter can’t hit the ball or the bowling is not so great even though they are trying their best allow the batter to hit from the tee. Hitting from the tee develops batting fundamentals they need to become great cricketers. Players should be encouraged to hit as many balls as possible in their 12-ball allocation even if they are from the tee.
- Keep the fielders engaged, keep the game moving quickly so they rotate around to bowl again as quickly as possible.

SCCA Under 10 Rules

Required Field Size

- Boundary is set to a fixed distance of between 20-25 meters from the center wicket.
- However, where the size of the field is restricted and does not allow a 20–25-meter boundary, the boundary shall be brought in for the part of the ground where the restriction exists.

Length of Pitch

- Pitch is 14 meters in length. All bowlers bowl from one end.
- Crease marked 1.2m from stumps.
- Yellow tees denote the edge of the wicket (1.3m apart).

Hours of Play

- Friday Nights 6-8pm.

Toss

- Bat Flip.

Bowling Innings

- All players bowl. Minimum 2 over each.
- 6 balls per over (maximum, including wide's and no-balls).
- Bowlers bowl from one end.
- A bonus of 4 runs will be awarded to the bowling team for each dismissal.
- All dismissals apply, except LBW and Mankad.

Length of innings

- 2 overs per player, with a minimum of 10 overs per side constituting a game.
- If the opposition score is reached before the maximum allotted overs, play will continue until innings is complete (to develop junior cricket).
- Should weather prevent a game being completed (that is, both sides facing minimum 10 overs) then it shall be deemed to have been drawn.

Minimum & Maximum Players Impact on Game

- 5 players per team minimum are required to play the game.
- 9 players per team maximum are to be allocated to a team. All 9 players bat and bowl, and innings is complete when 18 overs have been completed.

Fielding Restrictions

- Rotation of fielders in a clockwise direction.
- No fielder closer than 10m to the bat (excluding the wicket keeper).

Balls

- At the bowling coach's discretion, new balls are not required for each game.

Dismissals

- All dismissals apply except LBW and Mankad; however, the batter shall remain on the wicket until they have faced their allocated balls.
- After each dismissal, the batters swap ends.
- A **bonus of 4 runs** will be awarded to the **bowling** team for each dismissal.

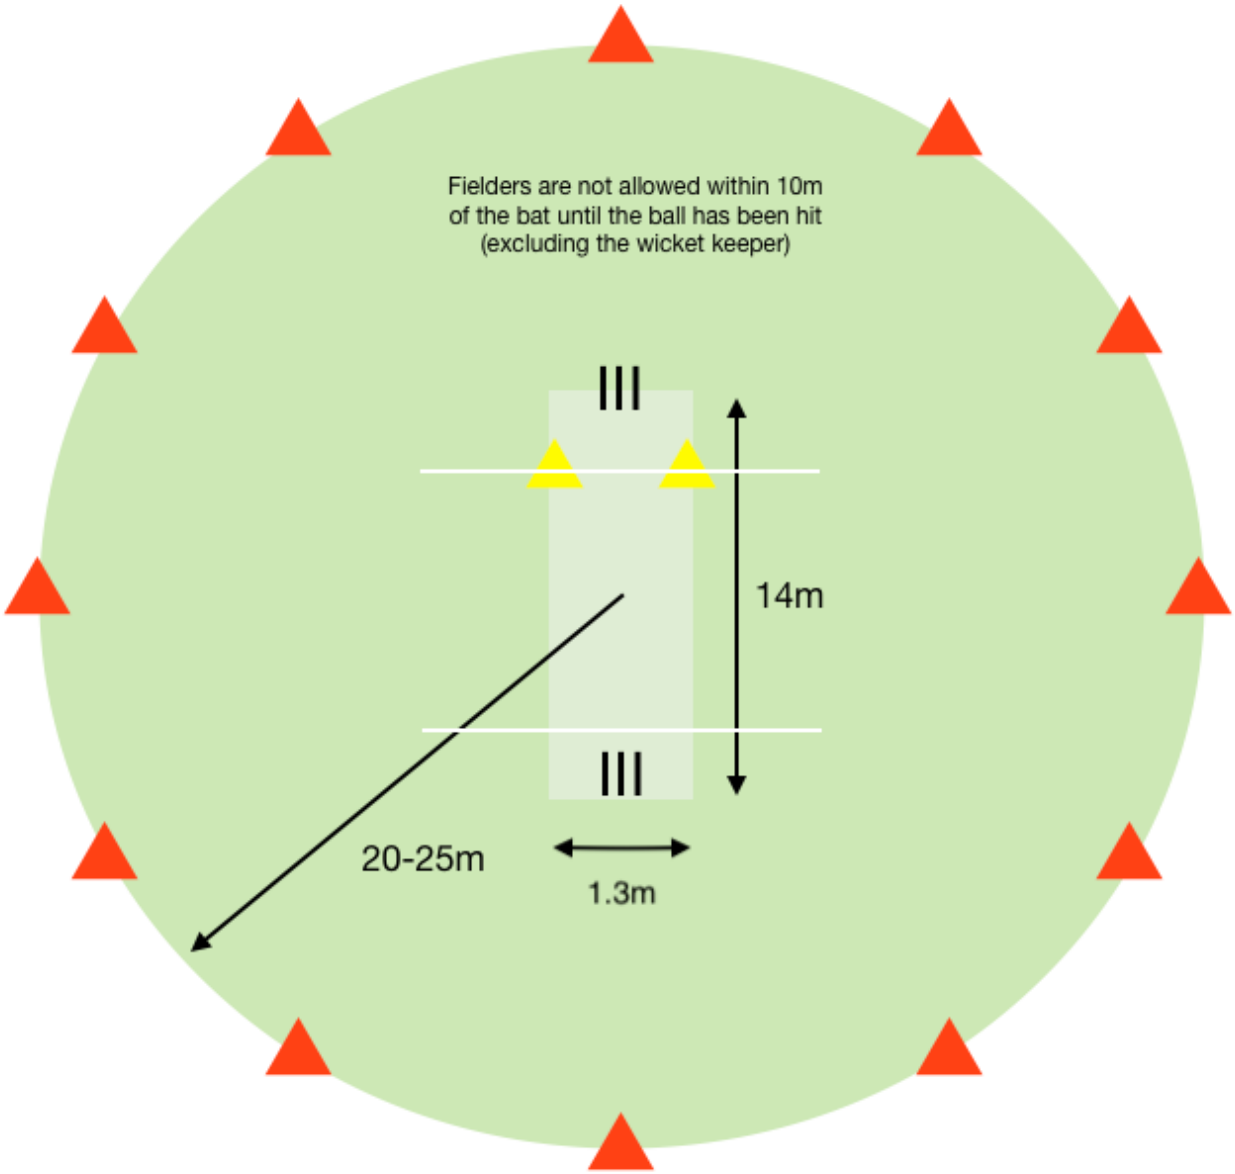
Retirement of Batter

- Batters will retire upon facing the allotted number of balls (includes wide's and no balls).
- If a batter "retires hurt" they may resume their innings if declared fit to play and at the retirement of another batter.

Wide's and No Balls and Yellow Tees

- Yellow tees denote wide deliveries with the ball delivered outside of the tees deemed a wide delivery.
- No ball is a ball that has bounced twice or rolls along the ground before reaching the yellow tees or is on the full above the waist of the batter in the standing position.
- The penalty for a wide/no ball delivery shall be 1 run and it shall be in addition to any other run/s scored from the delivery.
- The batter may strike the ball from the yellow tee after 3 consecutive wide's/no ball deliveries. Or at the umpire's discretion if the batter is unable to hit a fair delivery after consecutive attempts (to develop batting skills).
- Striking the ball from the yellow tee must be forward of the crease.
- The delivery shall not be re-bowled in U10 because there is a maximum of 6 balls per over.

Field Set Up



Fielders are not allowed within 10m
of the bat until the ball has been hit
(excluding the wicket keeper)
14m
20-25m
